

SUMMER CAMP

2023

BULLDOG
KIDS

PAYMENT INFORMATION

Bulldog understands that paying for summer camp up front is sometimes unachievable for families. We offer a payment plan option to help you get your summer sorted and stress free.

WEEKLY DEPOSIT

Bulldog asks for a \$50 deposit per registered week. This commitment allows us to get planning, nail down numbers, hire staff and buy supplies. This amount is non-refundable and will be used as a cancellation fee in the event you choose to cancel or change weeks.

REMAINING BALANCE

The remaining camp balance can be paid at registration or you can choose our payment plan that schedules the remaining balance for one week before your camp start date. The scheduled payment plan has a \$10 fee/week to cover credit card processing fees.

CAMP DAY

Camp day runs from 8:30am-4:30pm. Extended care is available from 7:30am-8:30pm and 4:30pm-5:30pm at the cost of \$25/week per timeslot.

ACADEMIC KINDER CAMPS

All Kinder Camps are based on the four frames of Kindergarten, provided by the Ministry of Education. These four frames (Problem Solving & Innovating, Self-Regulation & Well-Being, Literacy & Mathematics and Belonging & Contributing) are designed to support the way a child naturally learns during play and focuses on areas of learning that are critical for development. While themes for each week vary to support engagement and different interests, the foundational values of the program remain consistent.

PLEASE NOTE: Children enrolled in our Academic Kinder Camps should be able to fully & meaningfully engage in lessons and programming without additional supports.

July 4-7 (4 day week) **SPORTS & ACTIVE PLAY** - \$375 - This active play camp focuses on developmental skills like self regulation, well-being and problem-solving. All activities are designed to incorporate gross and fine motor skills and develop self-confidence.

July 10-14 **LITTLE PICASSOS** - \$425 - Art is a method of communication. Kinder children will learn to communicate through their art, explore different art mediums and build a better understanding of their own creativity.

July 17-21 **SUPERHERO/PRINCESS** - \$425 - Kinders will enjoy a fun week full of activities that are designed to develop their imagination. An end of the week costume party will provide us with an opportunity to express our creativity and celebrate our favourite characters.

July 24-28 **ALL ABOUT STEM** - \$425 - Science, Technology, Engineering & Math!! Kids will learn things like coding, programming robots, building 3D models, science experiments and more!

July 31-Aug 4 **IMAGINATION STATION** - \$425 - In what kind of habitat would a unicorn live? Kinders will use their imagination to create mini worlds to house different imaginary creatures. Starting with research, we will evaluate the needs of our creatures and work together to create artistic masterpieces in which they can thrive.

Aug 8-11 (4 day week) **SPLISH SPLASH** - \$375 - Do you know of all the fun ways we can learn with water? Ms. Karla sure knows a lot of them! Kinders will enjoy lots of fun outdoor water games to beat the summer heat and learn while we stay cool.

Aug 14-18 **NATURE PLAY** - \$425 - Come gain an appreciation for our environment and the creatures we share it with. Bugs, slugs and snails, scavenger hunts and great nature crafts are on the agenda as we explore what nature has to offer!

Aug 21-25 **ART ATTACK** - \$425 - Kinders will explore different materials and processes. We will draw, paint and sculpt while designing our own works of art. Kids will be able to bring home their masterpieces at the end of the week.

Aug 28-Sep 1 **ALL ABOUT STEM** - \$425 - Science, Technology, Engineering & Math!! Kids will learn things like coding, programming robots, building 3D models, science experiments and more!

ACADEMIC CAMPS (AGES 6-7)

July 4 - 7 (4 day week) STEM CAMP - \$375 - Science, Technology, Engineering & Math!! Kids will learn things like coding, programming robots, building 3D models, science experiments and more!

July 10-14 ART CAMP - \$425 - Come draw, paint, sculpt and create giant masterpieces with our Bulldog Team as we explore art through the ages. All art supplies necessary equipment are provided as we explore different art mediums, techniques and skills.

July 17-21 MATH CAMP - \$425 - Enhance your child's summer learning experience with Math Camp. Whether your child needs to catch up, improve or enrich their math knowledge, Bulldog Math Camp does just that. Our qualified staff will assess their current math grade understanding and provide each child with opportunities to broaden their math understanding and reinforce existing concepts.

July 24-28 READING & WRITING - \$425 - Reading & Writing camp is the perfect opportunity to interact with other students and build your child's literacy skills. Camp will be focused on reading comprehension, vocabulary and writing skills.

July 31-Aug 4 EARTH RANGER - \$425 - Earth Ranger camp will provide campers with opportunities to develop outdoor skills, leadership skills, problem-solving cooperation, mindfulness and empathy for the world around them. Daily programming may include building animal habitats, bird feeding, orienteering, nature crafts, studying of food chains, plant identification, shelter building and more.

Aug 8-11 (4 day week) BUILDERS' CAMP - \$375 - Building challenges are on the agenda! What kind of supports does a bridge require to hold up a garden gnome? Children will work together to complete a building STEM challenge based on an engaging lesson from our "Master Builder". Each day will review a different STEM concept and provide a new teamwork challenge that is sure to keep small builders engaged, excited and learning!

Aug 14-18 CODING CAMP - \$425 - Helping campers build a foundation in coding concepts. Our team will guide children in activities designed to bolster their understanding of basic coding and engage in meaningful programming to stimulate a love for interactive arts.

Aug 21-25 ART CAMP - \$425 - Come draw, paint, sculpt and create giant masterpieces with our Bulldog Team as we explore art through the ages. All art supplies necessary equipment are provided as we explore different art mediums, techniques and skills.

ACADEMIC CAMPS (AGES 8-9)

July 4-7 (4 day week) ART CAMP - \$375 - Come draw, paint, sculpt and create giant masterpieces with our Bulldog Team as we explore art through the ages. All art supplies necessary equipment are provided as we explore different art mediums, techniques and skills.

July 10-14 MATH CAMP - \$425 - Enhance your child's summer learning experience with Math Camp. Whether your child needs to catch up, improve or enrich their math knowledge, Bulldog Math Camp does just that. Our qualified staff will assess their current math grade understanding and provide each child with opportunities to broaden their math understanding and reinforce existing concepts.

July 17-21 READING & WRITING - \$425 - Reading & Writing camp is the perfect opportunity to interact with other students and build your child's literacy skills. Camp will be focused on reading comprehension, vocabulary and writing skills.

July 24-28 STEM CAMP - \$425 - Science, Technology, Engineering & Math!! Kids will learn things like coding, programming robots, building 3D models, science experiments and more!

July 31-Aug 4 EARTH RANGER - \$425 - Earth Ranger camp will provide campers with opportunities to develop outdoor skills, leadership skills, problem-solving cooperation, mindfulness and empathy for the world around them. Daily programming may include building animal habitats, bird feeding, orienteering, nature crafts, studying of food chains, plant identification, shelter building and more.

Aug 8-11 (4 day week) CODING CAMP - \$375 - Helping campers build a foundation in coding concepts. Our team will guide children in activities designed to bolster their understanding of basic coding and engage in meaningful programming to stimulate a love for interactive arts.

Aug 14-18 LEGO MASTERS - \$425 - Just like the hit TV show, children will be divided into Lego Building Teams and will take on daily building challenges! Each challenge is designed to showcase everything they know about structures and provide them with a change to express their creativity. One team will win the coveted Bulldog Lego Master Trophy.

Aug 21-25 STEM CAMP - \$425 - Science, Technology, Engineering & Math!! Kids will learn things like coding, programming robots, building 3D models, science experiments and more!

ACTIVE CAMPS

Soccer Camp - A soccer camp for soccer lovers. Our camp is designed to teach basic and intermediate soccer play as well as leadership, problem solving and teamwork skills. Campers should come prepared for a full day of outside play including soccer games, drills, other sports games and team building activities.

- Ages 6-8 - July 4-7th (4 day camp) - \$375
- Ages 6-8 - Aug 28-Sep 1 - \$425
- Ages 8-10 - July 24-28 - \$425

Basketball Camp - Our basketball camp is the perfect mix of game play and skill work to ensure young athletes are challenged. While the camp will include the opportunity to play other sports and engage in different activities, the majority of the day will revolve around basketball skills and play. Participants should come prepared and ready to play and participate.

- Ages 9-12 - July 4-7 (4 day camp) - \$375
- Ages 9-12 - Aug 28-Sep 1 - \$425

Dance Camp - Participants will work together with our dance instructors to create and perform a dance performance for parents at the end of the week. Dancers will be challenged to work together to assemble all aspects of the performance, from the dance to the decor. Participants should be able to follow dance instruction and have the stamina to keep up with a whole day of dancing.

- Ages 6-8 - July 10-14 - \$425
- Ages 9-12 - July 10-14 - \$425
- Ages 6-8 - Aug 8-11 (4 day camp) - \$375
- Ages 9-12 - Aug 8-11 (4 day camp) - \$375

Volleyball Camp - Fun and skill development in one! Our volleyball instructors will provide instruction to meet the needs of each player to improve their skills and enjoyment of the game. While the camp will include the opportunity to play other sports and engage in different activities, the majority of the day will revolve around volleyball skills and play.

- Ages 10-12 - July 17-21 - \$425
- Ages 10-12 - Aug 14-18 - \$425

Sports Camp - An action packed week of sports, games and summer activities. Our multi-sport camp exposes young athletes to a wide variety of sports and activities in order to develop fundamental movement and sports skills with an emphasis on fun, fair play and teamwork. Participants should come ready for full days of outside and gym active play.

- Ages 6-9 - July 17-21 - \$425
- Ages 6-9 - Aug 14-18 - \$425
- Ages 8-10 - Aug 21-25 - \$425

Outdoor Games Camp - Fun in the sun and lots of physical activity! Participants will engage in full days of outdoor play. Our sports, water games, relay races and cooperative games are all designed with a focus on teamwork, integrity and sportsmanship.

- Ages 6-7 - July 24-28 - \$425
- Ages 6-7 - Aug 21-25 - \$425

Nature Challenge Camp - Nature Challenge Camp will provide campers with opportunities to develop outdoor skills, leadership skills, problem-solving cooperation, mindfulness and empathy for the world around them. Daily programming will include hands-on, outdoor activities such as hiking, adventuring, orienteering, shelter building and more! Participants should come prepared for full days of outdoor play and education.

- Ages 6-8 - July 31-Aug 4 - \$425
- Ages 9-11 - July 31-Aug 4 - \$425
